Hi guys...

After looking at our potential Agenda, we are thinking that our
October 20 scheduled WBIA Board meeting should be re-scheduled to
November 17. Will that work for both of you?

Thanks Anna... For BID purposes we just want an overview from Omar. The BID Board would not want more than a 1 person overview. If Omar or you can't answer a question, you can get back to us. But I believe you 2 will be fine. Ok?

Hi Don,

Thanks so much for your message and I'm happy to attend and discuss vehicular dwelling as well as BID parking restrictions. I'm checking in internally on whether we are able to include a Manchester square presentation as well. As you saw at the NC this week, there is a whole lot of information surrounding all of the various issues, concerns, policies, and current events surrounding both homelessness generally as well as community needs. We want to make sure to be as prepared as possible for any questions to make the best use of everyone's time (for ex: multiple agencies involved in the task force were available for NC to provide support in answering questions who may not for the 20th), and will need to get back to you on the latter.

However please do count on me for the 20th re: vehicular dwelling ordinance. It's on my calendar.

Thank you

I'd like to invite both of you to attend our next WTC BID Board Meeting on Oct 20 @ 10 AM.

I'd like Omar to present his slide presentation from last

night's WPNC. The BID Board should be more knowledgeable about Manchester Square and the LAMP Project.

I'd like Anna to present the City's proposed parking restriction changes. (I forgot the fancy name you have for it). Anna you asked about parking restriction changes on Manchester and I think we sent an email of support to prohibit Overnight Parking. Is that right? Are those changes proceeding? Is Overnight Parking prohibited in the entire BID area? Particularly Sepulveda? If not, I think we need to get that in motion before the City implements their proposed changes.

Can we count on you for Oct 20?
